

Nominal size 2m x 1.0m x50mm
 Other size/widths available to fit all situations
 Mats from 0.2m up to 1.5m wide
 and 1.5m to 2.4m in length

SPECIFICATION

Stitched Flaps Throughout
 14mm Eyelets on Top Flap
 Hook And Loop Velcro Where Indicated
 600grm P.V.C. Coated Nylon Cover

Installation Notes:

1. Lay all mats alongside each other, attached by Velcro flaps.
2. Align mats up with wall. Line up aluminum bar with base flap allowing approx 10mm of gap top and bottom of flap screw bar to wall with appropriate screws.
3. Once screwed in place, fix screw in webbing loop above eyelets of mat (when in upright position) and connect bungee to webbing loop.
